Hi Joe. I am sheepishly sending you this email because I have more than owed you a phone call for a month at least. So sorry that I did not contact you weeks ago with an update on VB/I-70. I suppose you figured out that we cancelled the December quarterly meeting for the CAG/public. We will be **Ex. 5 Deliberative Process (DP)**

**Ex. 5 Deliberative Process (DP)** I am out until January 6, but will give you a call on my return.  
Again, I'm so very sorry for not calling you back.

Have a lovely holiday,  
-jc
